AGENDA CONTINUES ON PAGE 2

1. **Call to Order**, Advisory Board Roll Call, Code of Civility
2. **Opening Remarks** (Board Chair & Executive Director)
3. **Main Presentation** on *WILDFIRE SEASON IS HERE*. We'll discuss the changing climate, recent wildfires in the L.A. area, and activities related to getting your home and property ready for this fall's wildfire season. Some new tips, and importantly - new insurance discounts and how to earn them, and how MySafe:LA can assist you.
4. **Special Presentation:** We're going to pivot from our typical specific wildfire history discussion, and instead review why Southern California (including Los Angeles County) is so ripe for a destructive wildfire. *We'll share some important input on the disastrous MAUI wildfires*, explain why the LA area is so at risk this fall, the impact of our geography, Santa Ana winds, and even traffic. If you live in a wildland area, you won't want to miss this useful and essential discussion on how the history of wildfires in L.A. is influencing the future of L.A. wildfires.
5. **Hot Topics** More on our insurance efforts, some public safety fair information, and an update on how some of our Homeowner's Associations are doing relative to our efforts to assist them in becoming either a Firewise USA site or a Fire Safe Council.
6. **Future Schedule** of meeting objectives, special guests, and an update on becoming a California Fire Safe Council.
7. **General Public Comment** on matters within the Board's subject-matter jurisdiction (public comment only, no discussion) - Time permitting
8. **Adjournment**
