AGENDA CONTINUES ON PAGE 2

1. **Call to Order**, Advisory Board Roll Call, Code of Civility
 2. **BRIEF OVERVIEW OF PROTECTING YOUR HOME:** What is home hardening? What is defensible space? What does it cost? We will take you on a short tour of creating a safer, more wildfire resilient home and property.
 3. **THE TRUTH ABOUT ZONE ZERO:** This is an ongoing topic that continues to confuse people, fire departments, and others. Zone Zero - otherwise known as the ember resistant zone, is the five-foot space from the edge of your structure that may reduce the impact of an embercast. We'll tell you the truth about Zone Zero - and you'll have a chance to weigh in with your opinions as well.
 4. **MONTHLY INSURANCE UPDATE:** The January L.A. wildfires created a new round of challenges for insurance providers. We'll discuss the latest and provide some guidance.
 5. **CONTINUED SUPPORT:** We'll discuss how MySafe:LA is supporting the community with information on grants, other support, and our rebuilding L.A. informational podcast.
 6. **INITIAL 2025 WILDFIRE OUTLOOK:** The danger of wildfires in Los Angeles is increasing. Are we facing another drought? What impact will this have on our overall wildfire risk? We will provide more information
 7. **Fire Safe Council Announcements:** At our February 27, 2025 meeting, we will announce some progress in NFPA Firewise in L.A. and Fire Safe Council applications.
8. **Adjournment**
